## Senior Class/JROTC Christmas Canned Food Drive

The canned food drive was organized to help the less fortunate and to have a better holiday by giving them a hot meal for their families. As for me being a LET 4, I believe that everyone should be treated equally and to have the same things I have.

C/CPT Chamblee

To me, the can food drive is for the less fortunate families so they can be feed every holiday such as a wonderful cold Christmas. I have volunteered to feed the less fortunate this Christmas so they can eat good and enjoy their holiday without worrying about putting food on their table. Instead they can have a wonderful nice meal at home with their families.

My experience during the course of shooting in the CMP Rifle Marksmanship Competition was kind of horrible. I know I am a sharpshooter, but I couldn't keep my hands from shaking. So my shooting was a little off. But practice makes perfect and If I try my best to practice hard then next year I just might have a better chance of getting a better score. I hope that I try harder next time because I don't want to be a failure because I am a Cooley Cardinal and that's not what we do.

# DRILL COMPETITION

The Drill Competition was a very great experience because I got to make new friends and I even got to show off to the Inspectors to let them know What I had learned. Even though we didn't come in anything, I still had fun because we stayed on step with Color Guard, we didn't step out of the border when we were marching in squad , and we did very good on platoon. Overall I had fun and I hope everyone had a good time too.
