VETERANS DAY PARADE

The Veterans Day Parade was a great experience to me because I got to see all the people that put their life on the line for us. And having the chance to march with them was an even better one!

C/CSM Wright, D.

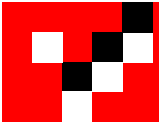

ELMWOOD CEMETERY

The Elmwood Cemetery was very fun to me because I love showing respect to my fellow soldiers who had lost their lives. Being there made me think about, what if no one had stood up for Americans and what would the U.S. be like? But now, I can honestly say that the people who stood up for us are now at rest. I showed my respect by doing Color Guard and bearing the American Flag and commanding the color guard. Its not what you get out of the community, its what you can do for the community.

C/SGT Rhoden, J.
